

PECPG SEED SALE 2011-2

The Prince Edward County Pumpkin Growers, home of the 1818 Bryson World Record, are pleased to bring you our second seed offer of the year. All proceeds go directly to fund our weigh-off in Wellington. This is our Proven, Orange and Promising Package (POP). This package contains a combo of proven seeds, along with some promising and orange producing seeds from past seed sales. 14 seeds in total. This package is being offered for \$55 CDN + \$5 for postage and handling, for a total of \$60.

In addition, we are offering a limited number of proven and promising seeds for sale individually. If you are not already a member of PECPG, your purchase will include copies of our Newsletter.

Male: 1421 Stelts 2009

Notes: This Pumpkin was disqualified due to a soft spot that developed in the side of the fruit. 21% heavy, weighed 2 weeks after harvest. This pumpkin had a low seed count. The pumpkin on the pollinating plant went down in early September due to damage from a portable heater. It estimated 1476 lbs and still gaining 14 lbs per day!

\$15.00 / seed

All are subject to availability. We reserve the right to limit quantities on some seeds. All seeds are inspected and are of #1 quality, unless otherwise noted. We do our best to provide excellent quality seeds, however we cannot guarantee germination.

To order seeds, please send an e-mail to John Vincent at: j.vincent@xplornet.ca or phone: 613-476-0405, requesting your set and/ or any proven seeds you would like. Then await a return e-mail giving you confirmation that your seeds have been reserved for you. At that time you will be given instructions for mailing your cheque or money order, and the total of your purchase, or if you prefer a [PayPal](#) invoice will be issued.

Thank you for your support!
